

## UCRCS Club Meeting Minutes January 8, 2015, IWC Conf. Room, Algood TN

Officers Present:     Clay Vetter                     President  
                         Mike Holloway                 Vice President  
                         Nate Holmes                    Sec/Treasurer  
                         Larry Cunningham            Field Marshall

Guest speaker: Attorney James D Madewell

The Members enjoyed a spaghetti dinner by Chef Del Heffelfinger.

6:50pm: Attorney Madewell was kind enough to come and brief the UCRCS on the order of settlement, and lessons learned concerning the flying incident occurring on 07-21-2012 at a UCRCS Flying Field scheduled event. UCRCS appreciates his candor and assistance in resolving this matter for our club and educating our members on ways to improve UCRCS by-laws, improving informational sign posting, and improving organization skills of the club. We do appreciate him representing us and coming to our meeting.

7:20pm: UCRCS meeting called to order: President Vetter thanked the guest speaker and addressed some of the concerns, which will be discussed further at an UCRCS Officers scheduled meeting next month,

Prior to regular meeting Safety issues addressed by President and discussed by members:

- Having a spotter while flying
- Starting remote control planes on stands, and on the ground, i.e.: reference to where pilot stands and having a spotter to assist, if possible
- Posting an entrance sign and repositioning and improving present spectator fence information

Club Safety Officer and Webmaster were not present due to personal reasons.

Club funds account was discussed by Sec/Treasurer

Further discussions:

- A request for establishing a platform for helicopter launching/flying was proposed and discussed by member Tony Swallows, motion for approval will be at addressed at next meeting, presently no objections.
- A motion was made to submit a request to AMA HQ for assistance in funding field improvements. The action request was accepted by Bob Mackie. Submission must be to AMA District commander by: 1 March 2015. Info to be addressed, and approved by members/officers at next club meeting.

Show and Tell: A USCG airboat type, Drifter model, was brought and discussed before meeting by Nate Holmes, Sec/Treasurer. Model may be found at [www.modelaero.com](http://www.modelaero.com)
