1. Current AMA Membership is required for all flying members. Should a person's AMA membership or insurance coverage expires or is revoked, that person will immediately no longer be a UCRCS member or eligible to fly at the Club's Field. Under this clause, membership payments will not be refunded.

2. The amount of dues are evaluated each year in the month of September by the officers and a committee of at least two, but not more than four additional members, who will make recommendations to the full membership for the next year.

3. Current normal open membership dues are **\$100.00 per year** and are due in whole and payable by February 1<sup>st</sup> of the new year. For 1<sup>st</sup> time new members that have never been a member of the club, the first year member dues are \$50.00. If a prior club member rejoins the club the dues will be \$100.00. Non-Flying member dues are \$50.00 per year.

4. Tennessee Tech Full-Time Student membership dues are 50% of the open membership fee.

5. Dues for each Extended Family Member of current paid members are 50% of the open membership fee.

6. Student (under age 18 and full time student) membership dues are free with proof of AMA.

7. Potential new members must obtain AMA membership prior to solo flight or 30 days with a club instructor. No dues for 3 months. Dues are prorated October through December. To take advantage of this option you must have never been a UCRCS member.

8. There are no allowances for free memberships based on elected post within the club. Arranging for or donating to the club are greatly appreciated, but provides no special privileges.
